Good Morning,

I am in madras/edan and your response still haven't been scanned in.

The above application is on my past due list, please respond with an answer to the certificate of correction request. I have received several calls from the attorney requesting a date that they can expect to receive their certificate.

Your prompt attention to this is greatly appreciated, to enable me to remove this from the past due list and the application toward issuance

I filled out the form for this case and turned it in for scanning already.
We are denying entry.
